SUBJECT: Task Force on Sexual Harassment and Violence at the Military Service
Academies

This document updates my June 11 memorandum, same subject as above, and requests your continued assistance in support of the Task Force. The Secretary of Defense selected the final members of the Task Force on July 19 and the members are preparing for their first meeting on September 22 - 23. A list of the Task Force members is attached. Although law permits the Task Force to take a year to complete its mission, Secretary Rumsfeld has asked that the Task Force report to him within six to nine months of its appointment. To permit the Task Force to complete its mission within this time frame, request the full cooperation of the Military Departments, and, in particular, the leadership of the Military and Naval Academies, with the membership and the staff of the Task Force.
